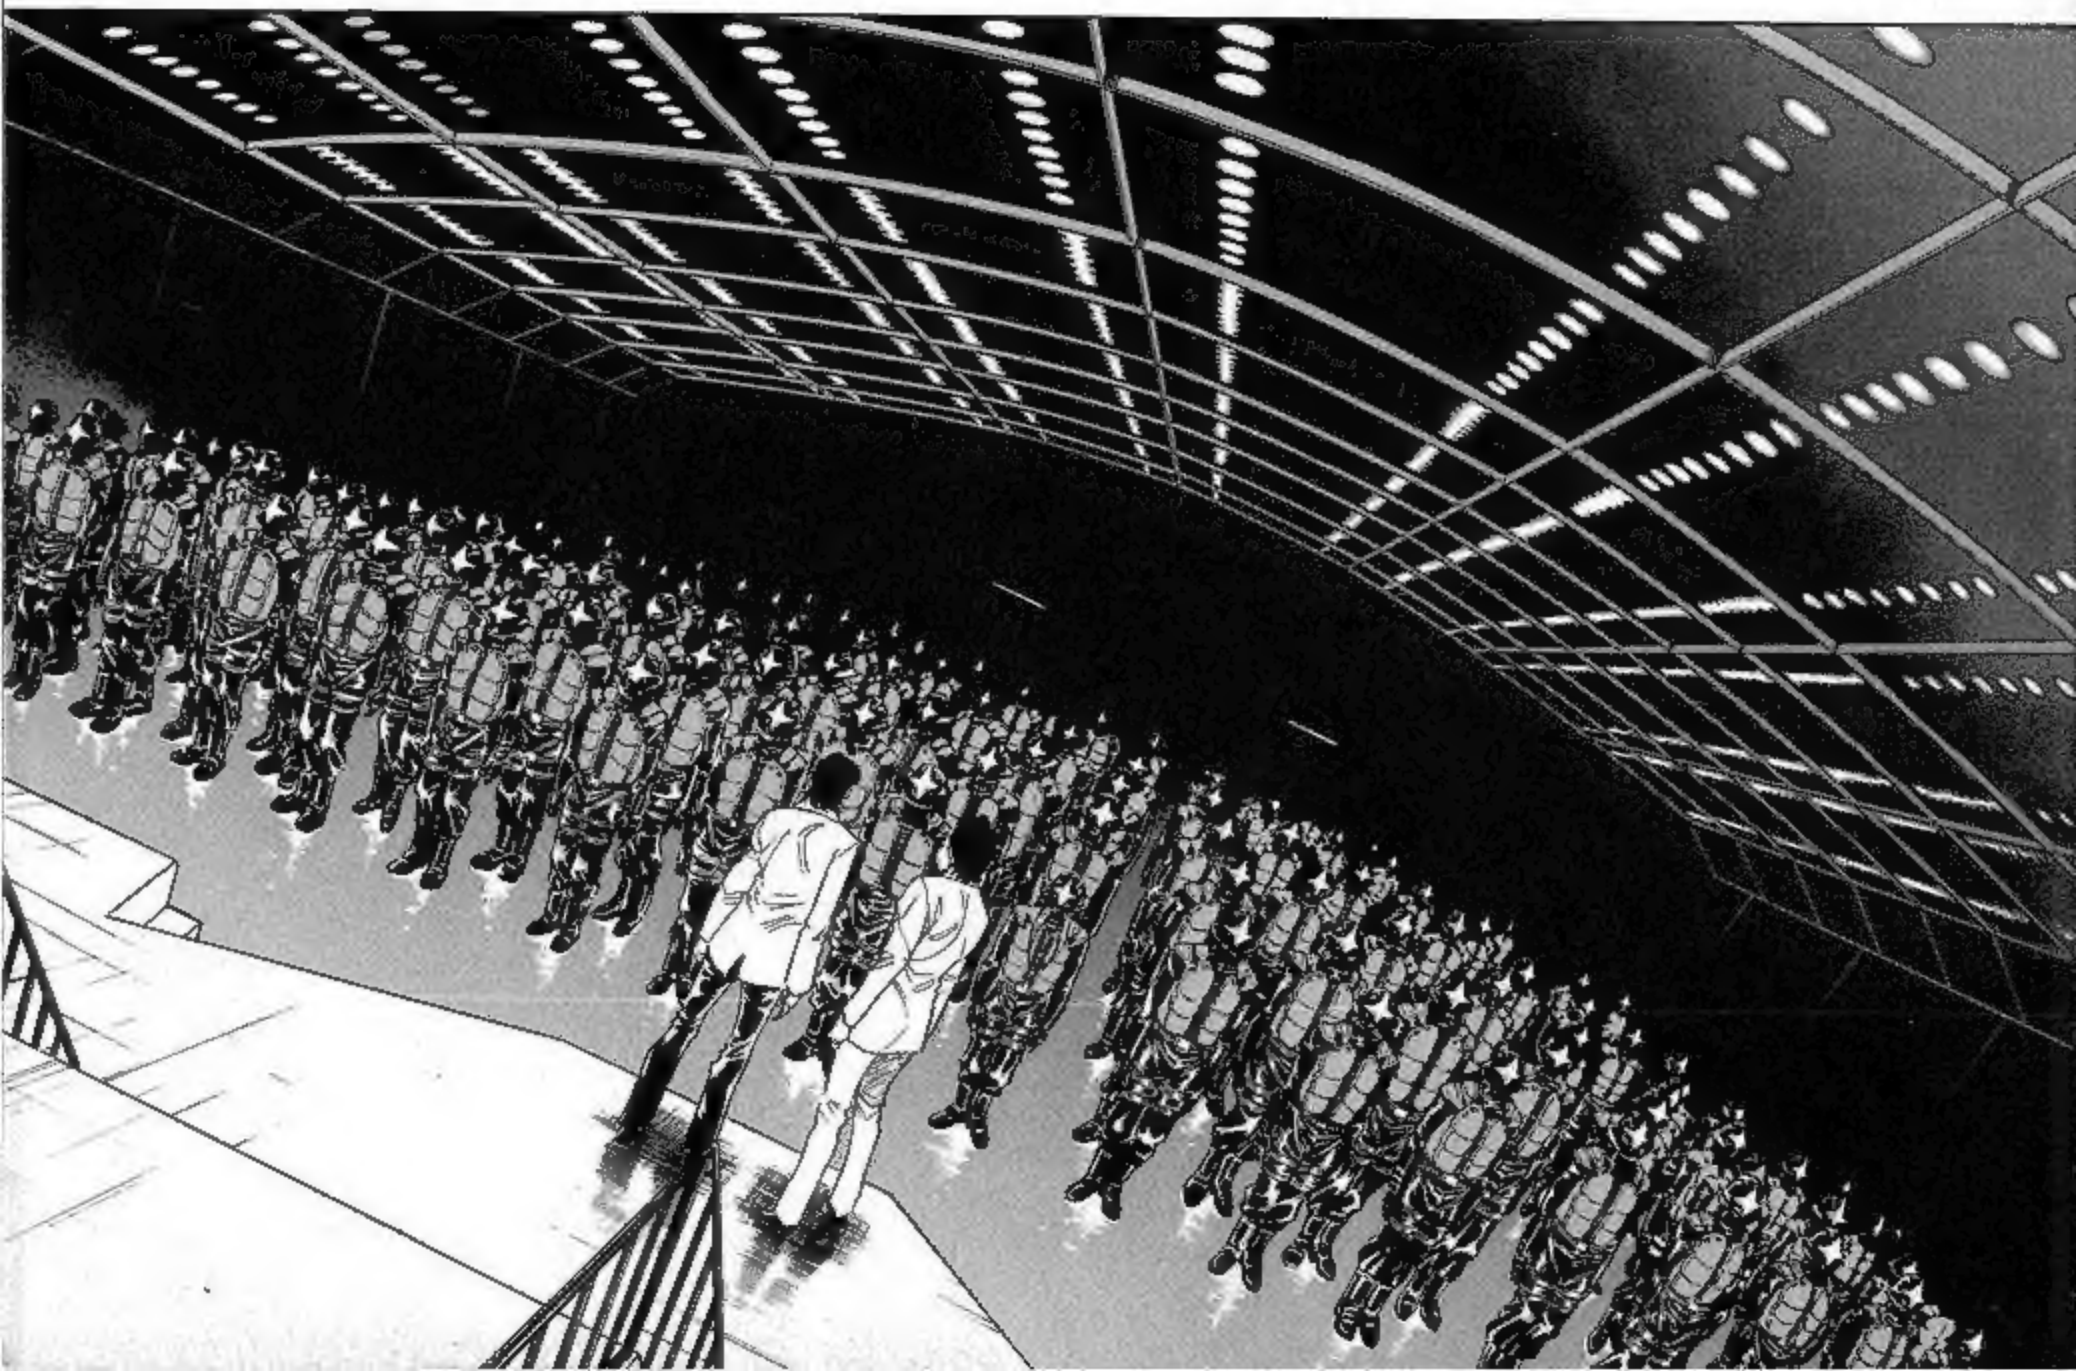
Chapter 9: Formation of Spirits
第9話 魂の結成

What
the-
These
people...
・・・



They have all isolated themselves from the world in order to fight for Japan.
2500 volunteers who have vowed to fight Badan.

Ha Ha
Give them a name? Why do I have to do it!?
I'd like you to give them a name, Taki.
!?
The unit was put together quickly, so they don't have a name yet.
"Captain Taki."
Cap-!?
About that... From here on out, you'll be leading them.
You will be supporting the Kamen Riders as well.
Your experience and strength are essential.
But they don't yet know what combat with cyborgs is like.
Green Beret, Spetsnaz, GIGN, SAS, and so on- all these people come from special forces.

He doesn't look much like a legend.
Yeah, he's a legend.
He's from the FBI...
Shh.
Tch... Who is this guy?
These guys...
Support them...
.....
All of you...
For the sake of Japan ...

This is...
Captain Taki. Now that you've been made our leader,
Give us permission to begin an armed attack.
There's one thing I forgot to tell you...
An offen-sive
Against Badanil

All of these people hold countless deep grudges against Badan.

If not for that, forming an organization of this scale and with such haste wouldn't be possible.

Badan killed my family.

The only place I have to return to is the battle-field.

It's the same for me.

Those bastards burned my town to ashes.

I lost my unit to them too.

And this right leg...

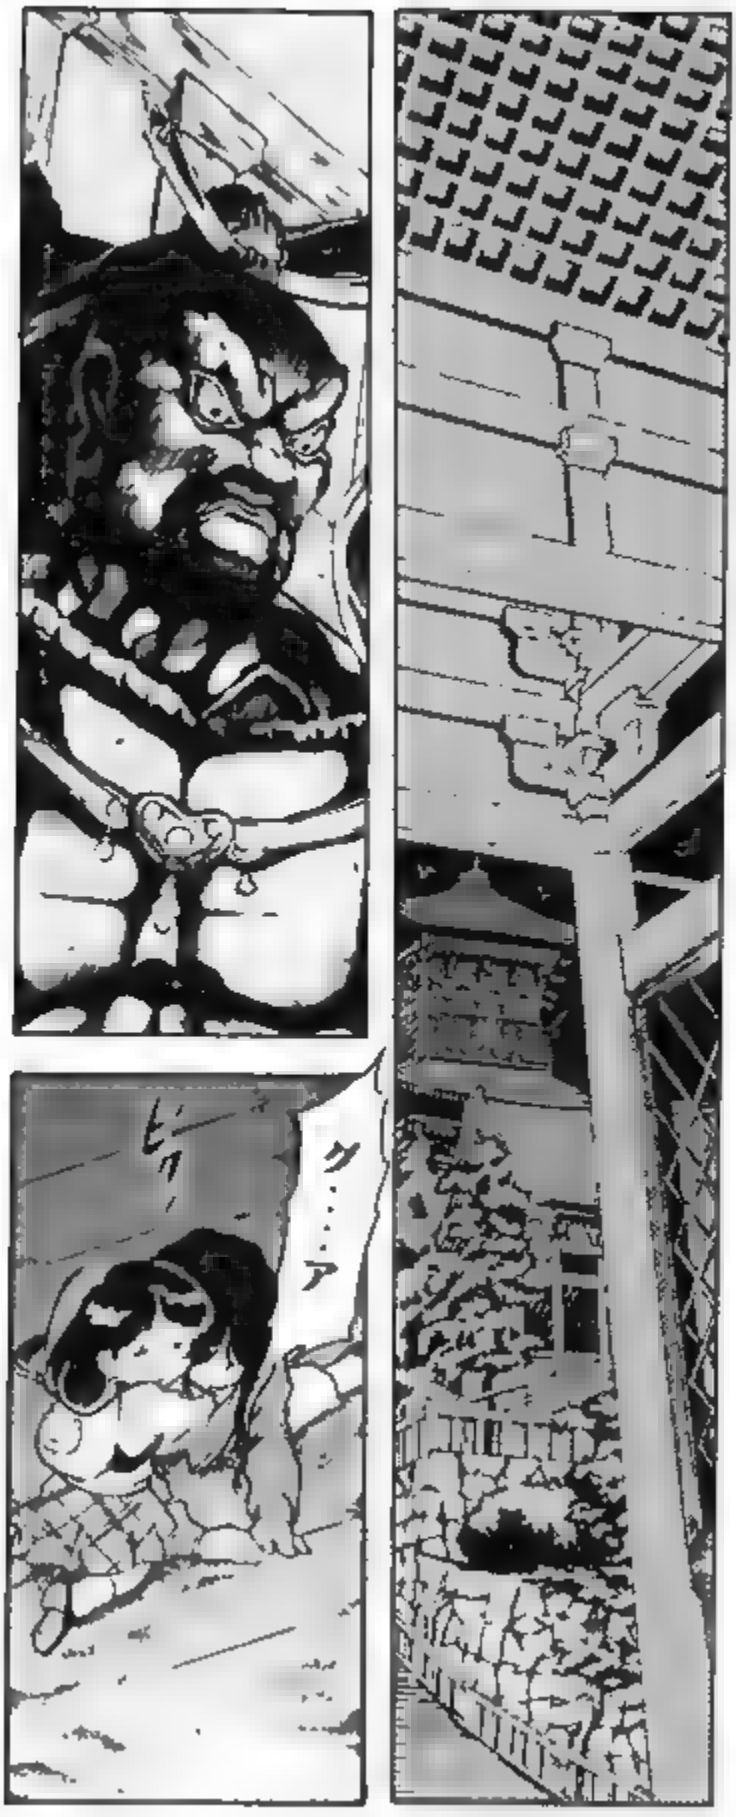
!!

To defeat Badan, I would even have my entire body remodeled, the same as this leg.
We do not mind the idea of dying.
That's right... With a mechanical body, I wouldn't be defeated.
Just like the Kamen Riders.
...
Taki --
Shh!
That guy-
Ke-i You've got to be kidding me!

Sakuma,
Sorry.

I don't need these cat's-paws.
What -!?

カランカラン
G... Gordon!!
Uh oh.
You Jap...!
Hey... what did you just say?



ク…ア
ヒッ

ク……
アァ……ア
ムル
ガイス
ハイア
アビアー

Ah ...
Hehehe... How unappetiz-ing...
You have the same unpleasant blood as us...
Isn't that right, Kamen Rider!
No!! Don't be stupid, Mom!!
Ah... me too! Take mine tooo!
Take my blood next!
Ah... me next
ah
ahh

Uwaa aaah!
ahh!
Don't cry.
Without a doubt, we'll save you.
This time...
I will...

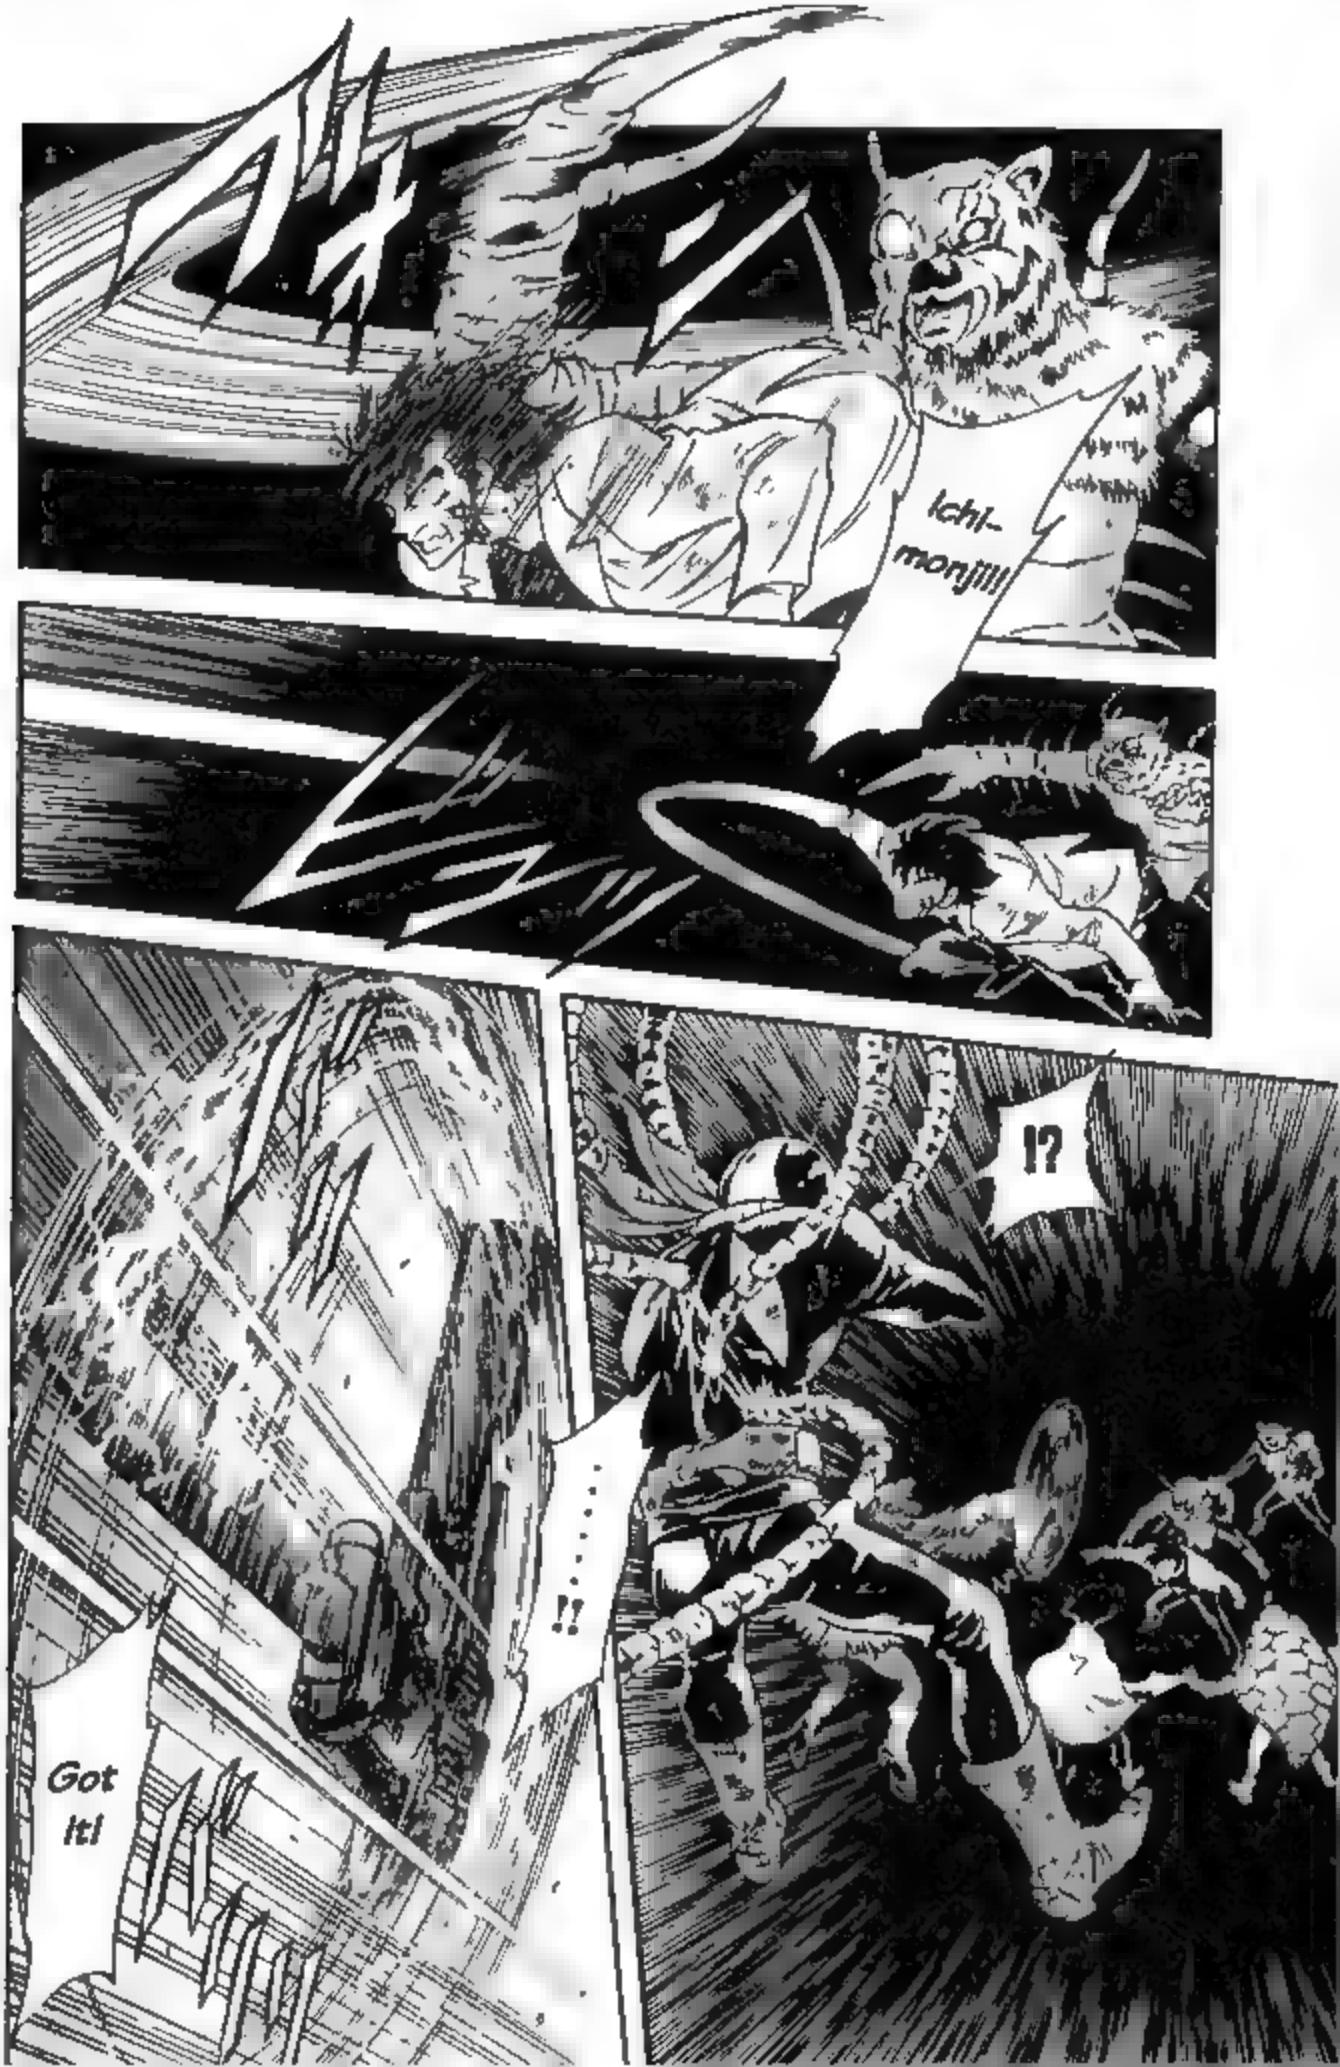
RAAAAH
SPIRITS
!
AAAH
HYA

ビシッ!
ドドド

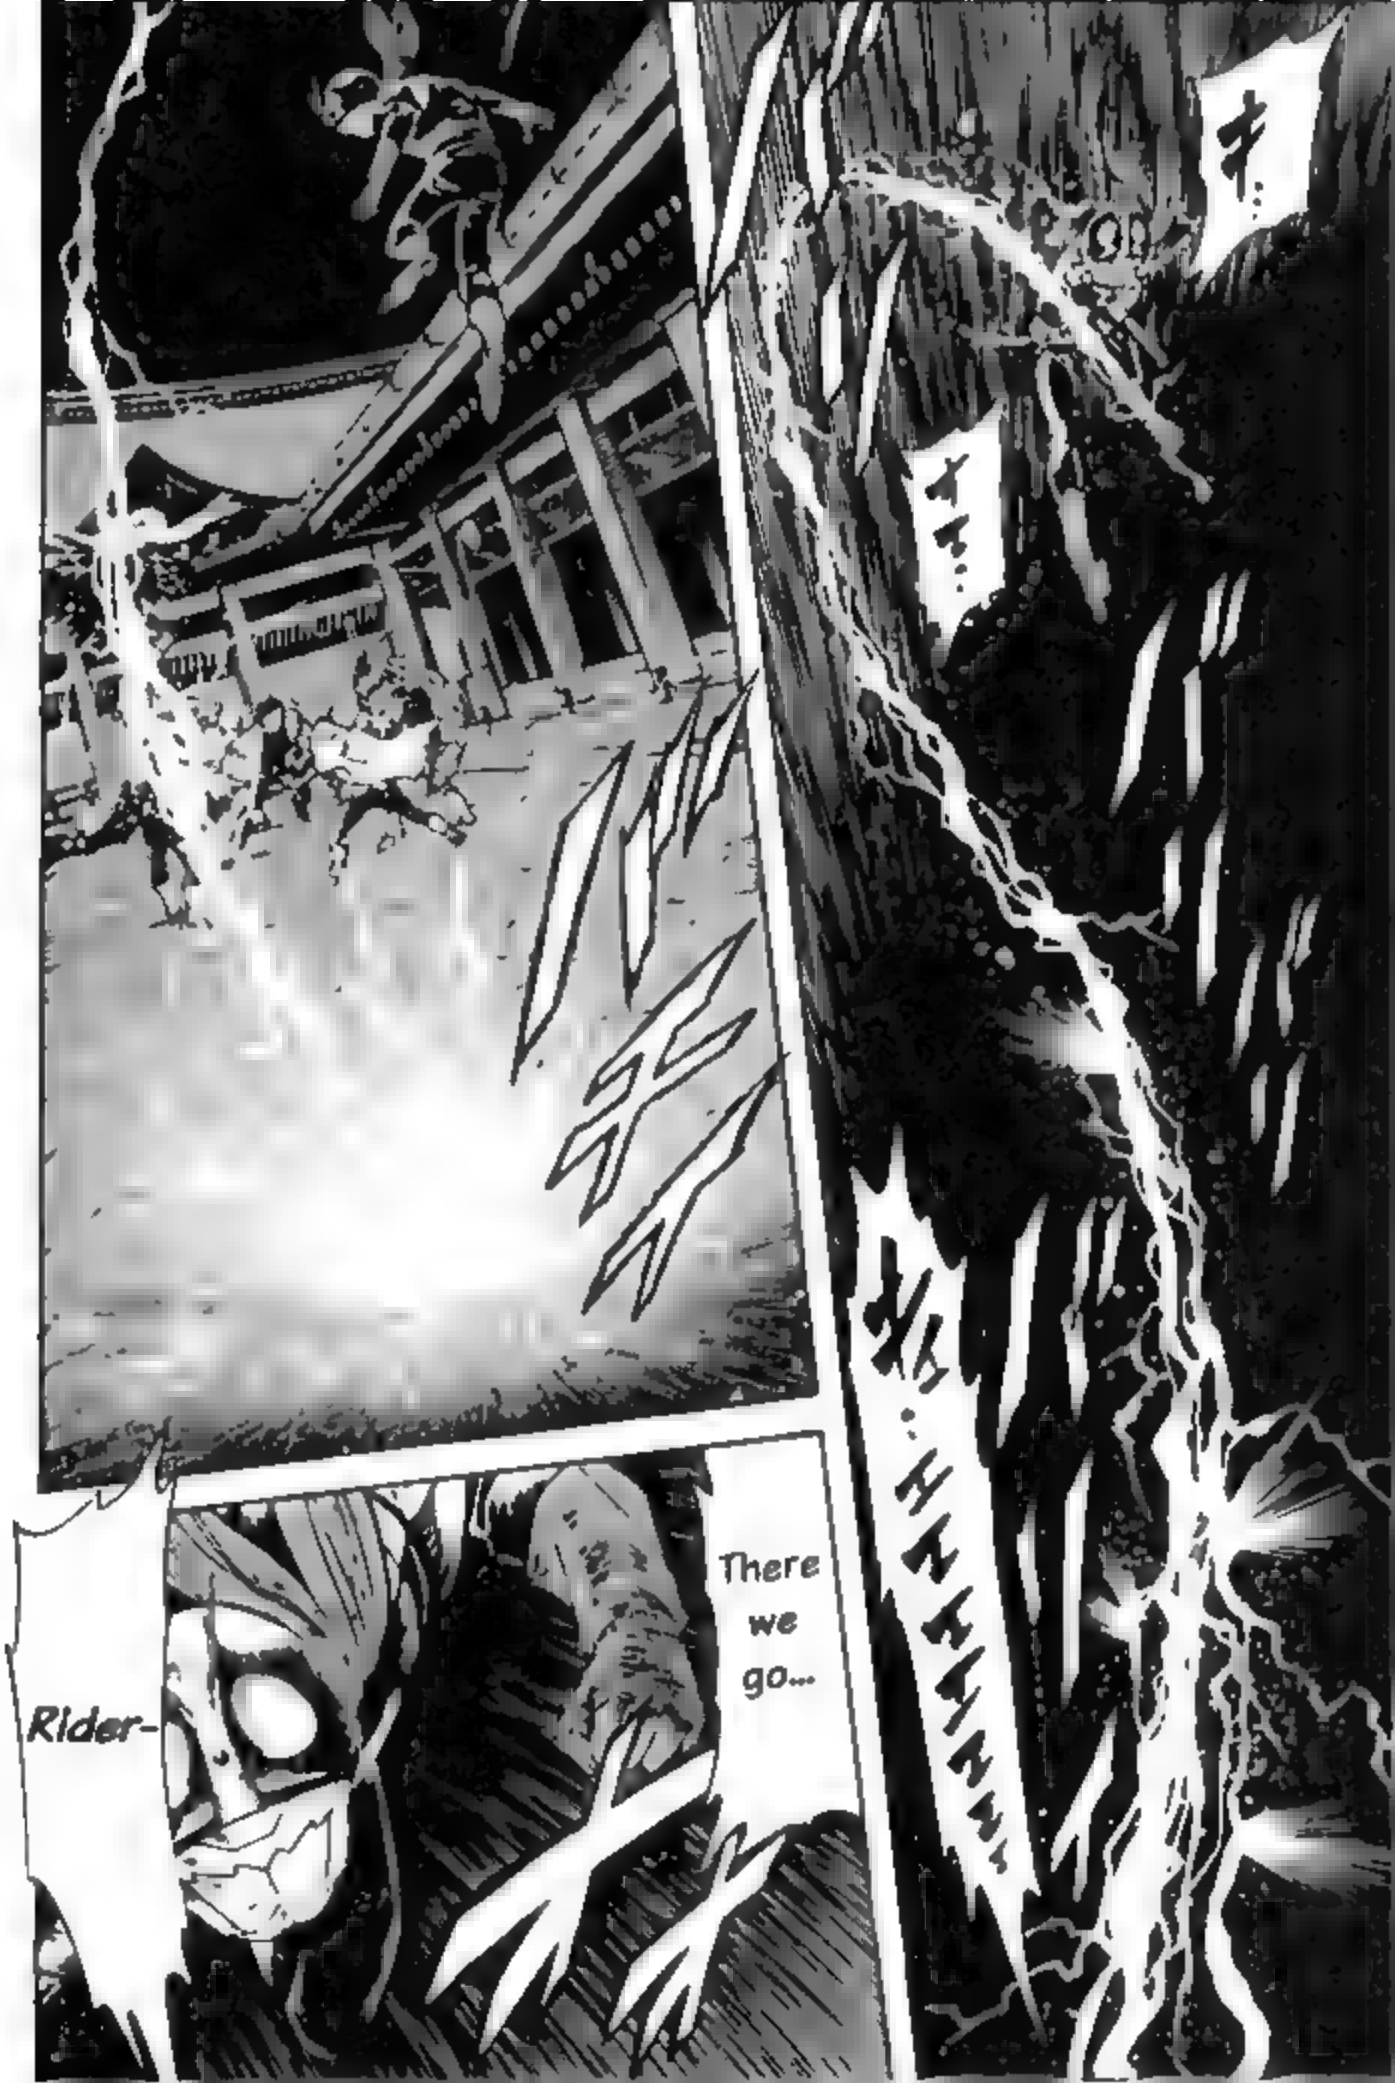
AAGH
Just like the Kamen Riders.
If I had my body altered... I would never be defeated again.
.....
...shut up...

あいつらは…
Those guys...
だが…
But...
How many times
Have I thought about that?
体じゃない
Those bodies...
望んだはずだ
You didn't wish for
Chose a life of fighting
And yet you still

That's why you won't hear me say it!!
Struggling to live with these flesh and blood bodies.
That's the way to do it!!
Taki-!



Ichi-
monji!!!
!?
!!
Got it!



There we go...
Rider-

Let me
Help you out.
Pu-
Ghkl?
You've lost too much blood.

Rider

Double Punch!!

Th-This is...

!!.....

Damn you, Taki...

Damn you, Kamen Rider!

Look...
That bee tard's body...

They may be young, but when these mutants come out they'll scatter onto the streets.
Chil... Once they've matured
!!
.....
.....
Hey...
That's —

Is that ...

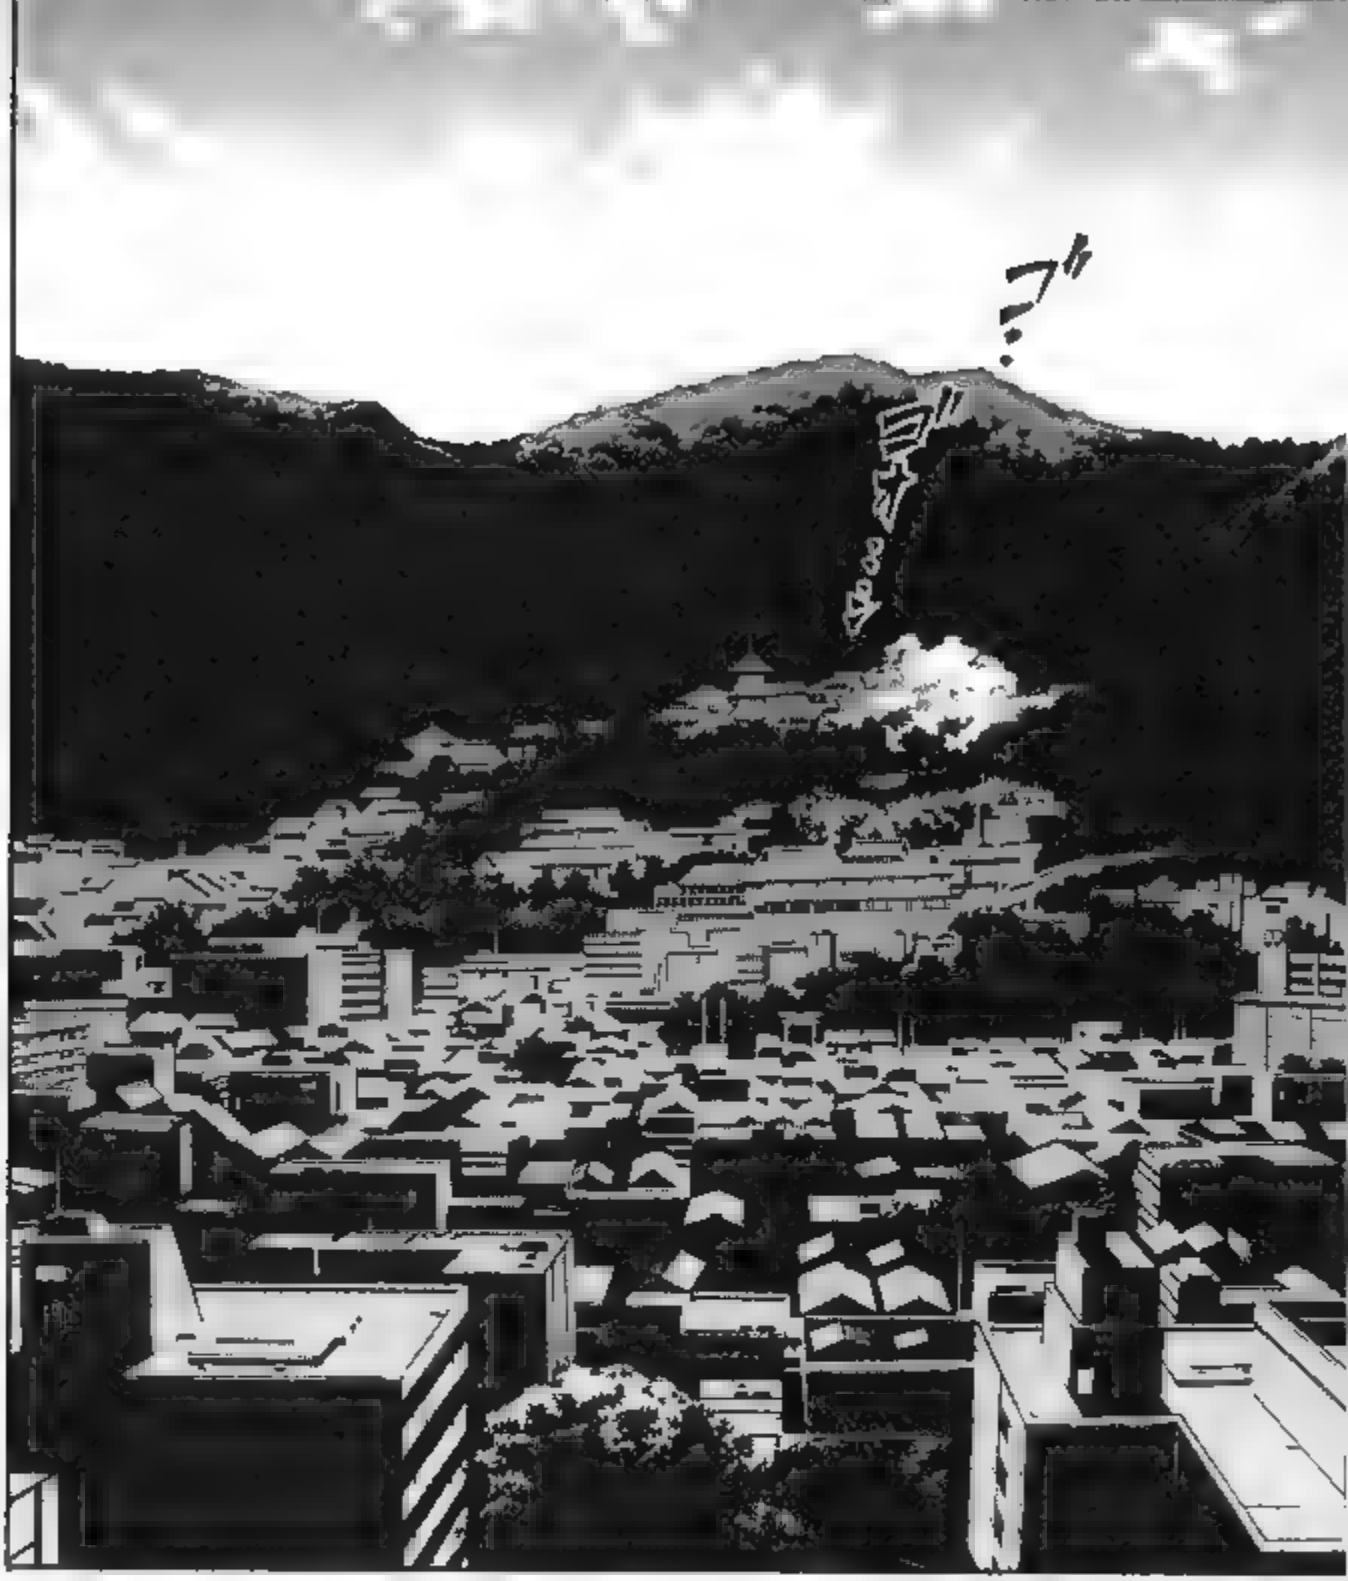
ZX?

Huh?

Taki! Why haven't you called for backup!?
You still haven't fully grasped your role of captain, have you?
!!
!!
You're useless!!
Curse you ...!

!?
!?
Gah!
We've lost control of the tower!
!!
Micro-chain!

Ngh!
Tch-! Quit fucking around!
I wonder if he can make it work.
Uwaaahn! We're falling after all?
You suck, Ryo!



ゴゴゴゴゴ
ゴ!!

You already forgot my name, didn't you.
Gan... something or other, you will never be forgotten.
AHH!
!!
Guh
Is everybody okay?
Damn him
ZX!
ku
Go, go!
You're not getting away!

Hn.

So even General Black only lasted to this extent.

Rider

Double Kick!!

Gel-Shocker...

Wh...

at...

I will become great... For the glory of...

Hhh...

Yeah!
I see... your mother makes good cream stew?

It's because she has you to stay by her side.
That's right
Really!? She'll be all better?
Then, perhaps she could make me some tomorrow.
?
Will Kamen Rider get better quickly too?
Then, then–
You know, because Kamen Rider has someone too!
A person who aaalways stays by his side.

I don't know that it would suit my tastes.
Besides, even if they gave me a transfusion,
I guess not.
Don't worry.
I just had a little too much blood sucked out, is all. I'll recover in no time.

Hey! Look at that!
Gordon the heavy class is getting yanked around.
You guys...
You're hoping to get remodeled?

No good comes out of being a Kamen Rider.
Stop that, stop it!

Even just doing things like holding a child's hand, you could crush it if it you're not careful, y'know.
Getting your body completely mechanized, no woman's gonna fall for a guy like that.
I wonder what kind of death you'd end up with...?
Your body wouldn't grow old like normal, right?
Plus,
You should quit...
Jeez, this really isn't worth my time...
Whoever it is, if you're not needed, you're out.
Furthermore, if you guys can't get along without quarreling, you're gonna get sacked.

You're a bunch of good-for-nothing cowards.
Living that way,

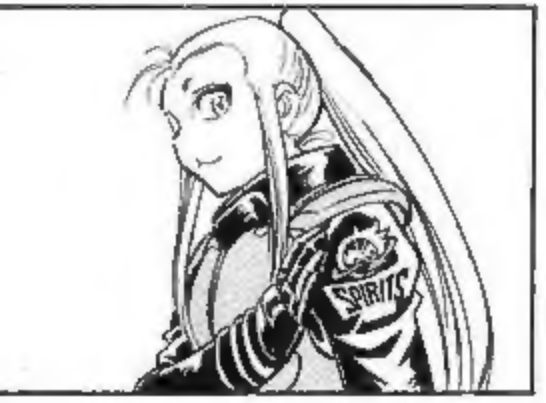
Well...
In that way, I'm as foolish as you lot.
.....
But...
That's right... There's no way this body can measure up to the strength of a Kamen Rider.

My spirit...
At the least, my soul...
There's still a ways to go before it'll balance out...
But still...

What are you
Blathering on about!?
Your words are filled with impassioned thoughts. By listening from the bottom of one's heart, your meaning is clear
"Thrust every word from the bottom of your heart."

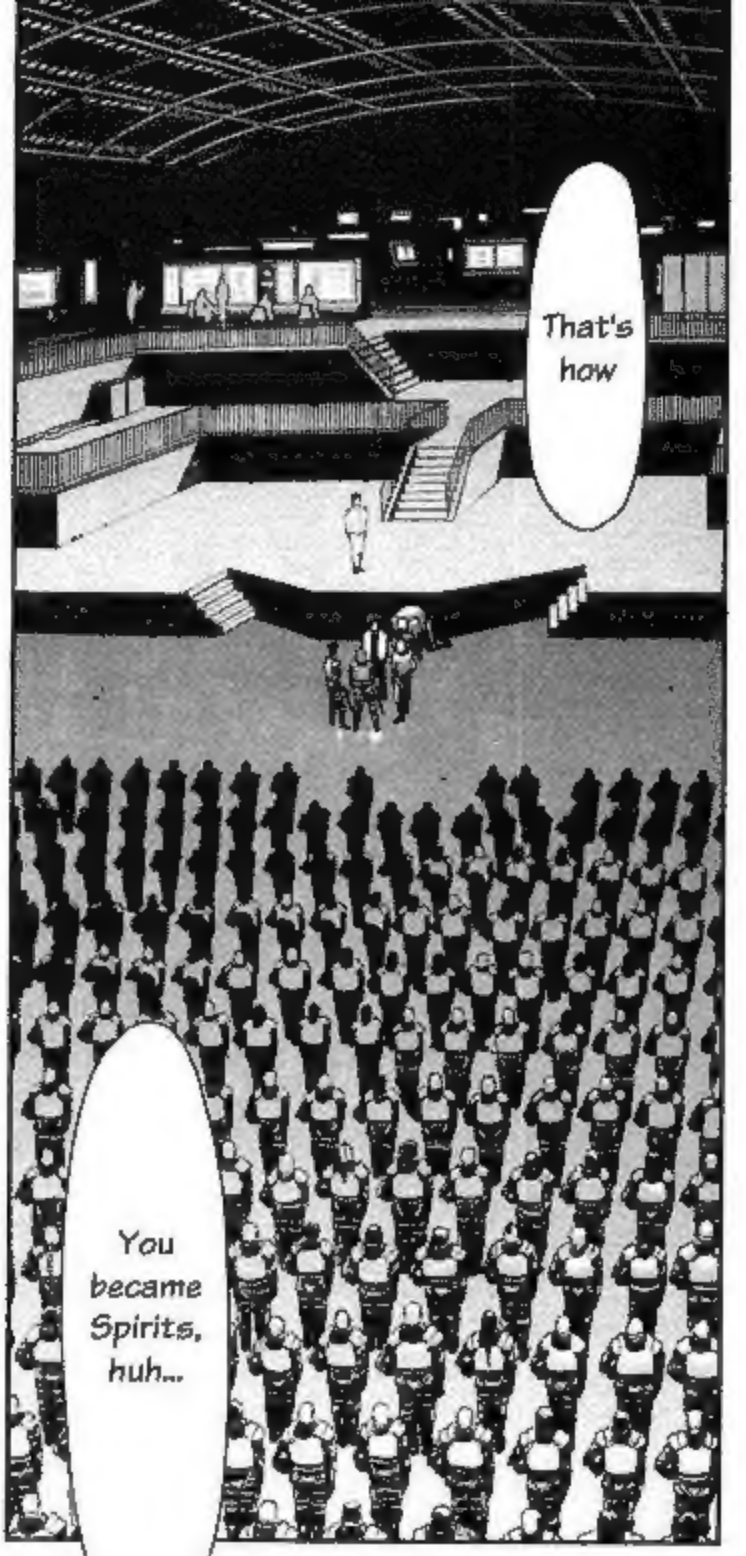
Your spirit...
I'll join it.
Spirit ...
Hm.

SPIRITS



SPIRITS

I see...



That's how
You became Spirits, huh...

Taki said that sort of thing...

tch
hmph
